# The Salten region

## Getting here and getting around

### Air

Bodø Airport is conveniently located just 2 km from the city centre, serving as a vital hub for the Salten region and Nordland County.

### Car

There are two main routes to reach Bodø & Salten by car: the E6 (via Fv80) and the scenic Coastal Route (Fv17). Nordland is also home to three official Norwegian Scenic Routes.

### Hurtigruten/Havila

Has 10 ports of call in Nordland. Daily departures and arrivals all year round.

### Train

Bodø is the terminus of the railway line from Oslo and Trondheim, with several daily departures on local and regional southbound trains.

### Express boat/Ferry/Bus

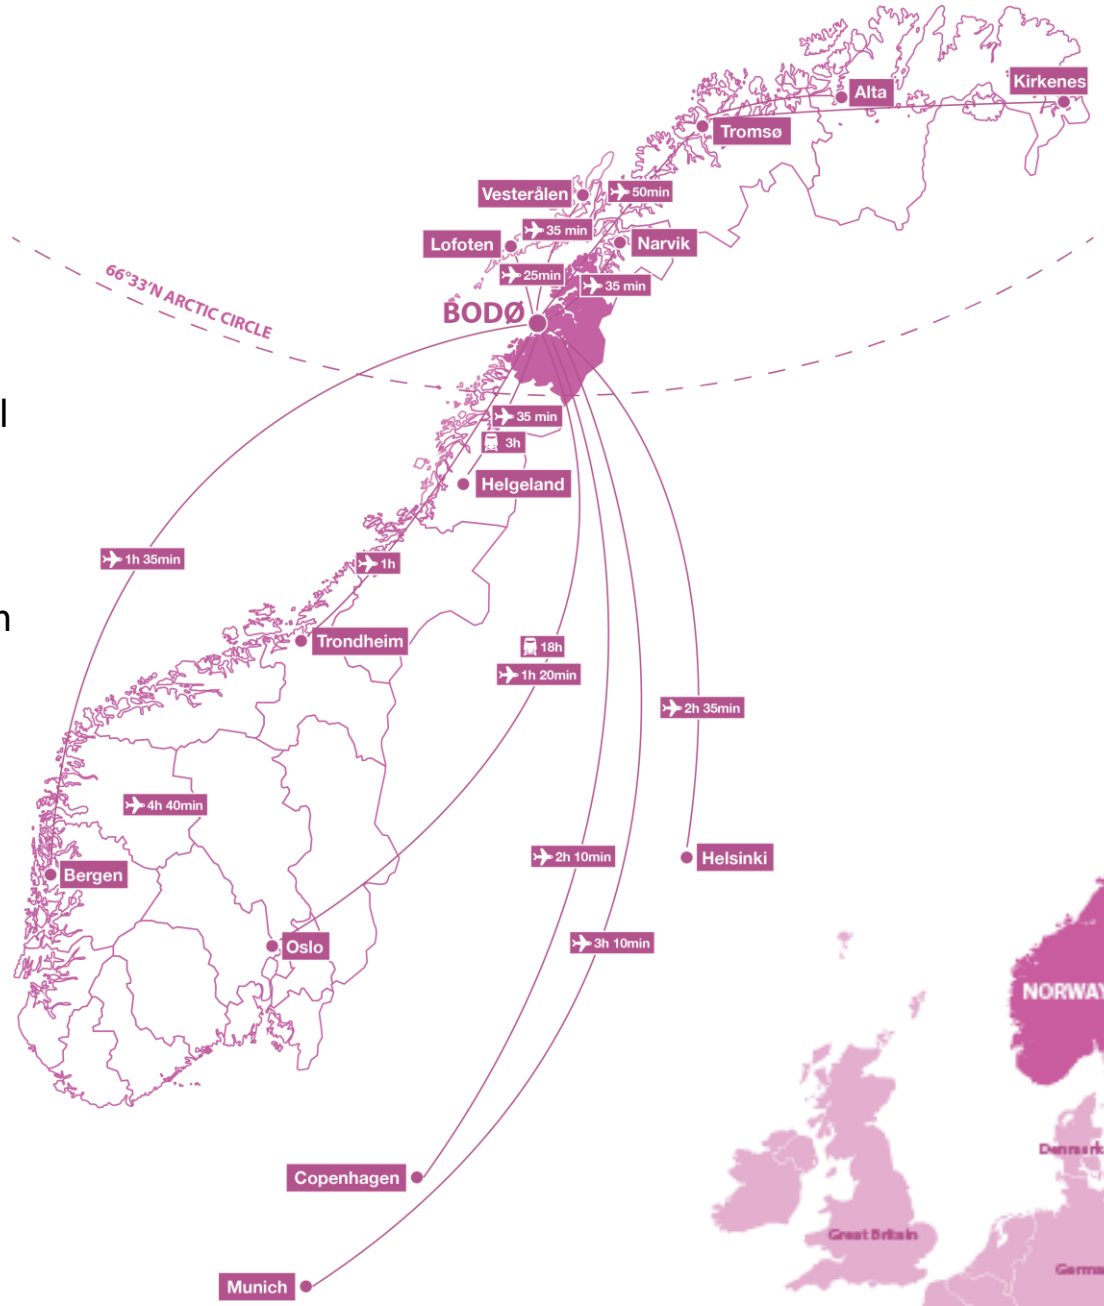

Getting around by bus, ferry, or express boat is easy—and perfect for sightseeing. During summer, you can take advantage of the Travel Pass Nordland for unlimited travel throughout the region.

# How to get here

Bodø, located just above the Arctic Circle, plays a vital role as a hub for the wider Nordland region—connecting and providing access to the surrounding areas. Its strategic location places it near the polar region and establishes it as a key gateway to Northern Norway. The city also serves as an ideal base for experiencing natural wonders such as the Midnight Sun and the Northern Lights.
