## Wall-hung

Bridge is constructed to hang on the wall and is easily attached with screws. The shelf is neat and discrete and offers a lot of space.

## Adjustable shelves

Bridge makes it easy for you to be flexible and to change your mind. The shelves are easy to move around into new positions.

A new combination can give a whole new appearance and of course all shelves will be fastened safely into the uprights when finished.

Add door inserts for hidden storage and to give your shelf a more crafted look.
