Details

The U-shaped handle is a fun addition to the otherwise simple design. It is the element with a big E and the thing that makes Uno special. The colours are carefully chosen to give a mature but yet colourful appeal.

Made in Sweden

At Tenzo, we design and produce modern, high-quality furniture. Our modern production facility, located in the south of Sweden, allows us to provide furniture collections in a wide range of colours.

French design

The French carry an air of sophistication without looking like they've made the effort to do so. Naturally, this influences the interior design with an exquisite appeal and unconcerned aesthetic. France has a long, genuine history in design and their reputation is widely known and beloved.

Design by: Olivier Toulouse

Design says something about who you are. That's why Olivier Toulouse is inspired by people. By watching humans, new designs emerge.
