PLAYFUL WITH A TOUCH OF RETRO

As a tribute to the graphic and colourful 1960s and '70s, this range combines rounded shapes with high and low contrast shades. The encounter between the matt lacquered base and knobs and the semi-matt body is a success. You instantly get a modern retro feeling. Any piece from this range will be a young and poppy eye-catching piece of furniture in the room.

This furniture is designed to make you happy with a pretty design and poppy colours. And to store things. With fully extendable drawers there is room for most things you need to keep, and yet let you have a fun room. Even when you open it you get a little bit extra happy, the drawer sides are lacquered in the same colour as the rest of the furniture.
